Dear Parent/Carer

As the new Healthcare Assistant at The King Alfred School Academy I wanted to introduce myself, my name is Mrs Alex Butler. I will be based in the Medical Room and supporting all students with their medical conditions and any first aid in school.

Can I please request you contact me with any updates or changes to any medical condition regarding your young person that you feel the school should be made aware of.

Any student who is recorded as asthmatic is expected to carry an inhaler at all times, similarly any student who has a severe allergy and has been prescribed an EpiPen must carry that at all times. We would also be grateful for a spare EpiPen to be kept in school in the case of an emergency.

Finally, we ask all students to come to school with a refillable water bottle.

If you have any updates or questions please email - Abutler@tkasa.org.uk

Kind regards

Mrs A Butler
Healthcare Assistant
